THE 2018 PREQIN PRIVATE CAPITAL FUND TERMS ADVISOR

The 2018 Preqin Private Capital Fund Terms Advisor is the ultimate guide to private capital fund terms and conditions. It draws upon extensive research and contains analysis, benchmarks, investor opinions, listings of funds and their terms (on an anonymous basis), and more.

This year's edition of the Fund Terms Advisor draws upon analysis of fund terms and conditions data for over 9,100 funds, more than ever before. It includes private equity, venture capital, real estate, infrastructure, private debt and natural resources funds.

The 2018 publication is accompanied by a complimentary 12-month subscription to our online service, which you can use to calculate your own benchmarks for fund terms and conditions by strategy, geographic focus, fund size and by minimum LP commitment.
