Preqin Investor Network

Want to view a potential fund manager's performance? See which strategies other investors are allocating capital to? We can help you pin down investments and build portfolios.

Preqin Investor Network is a continually updated online resource that provides accredited institutional investors interested in infrastructure, private equity and private real estate, with complimentary access to up-to-date intelligence in the following main areas:

- **Track Record** — up-to-date and transparent performance data for managers of funds currently in market.
- **Investment Opportunities** — constantly updated intelligence regarding infrastructure, private equity, and private real estate funds currently on the road seeking capital.
- **Fund Terms and Conditions** — fund listings detailing key headline terms and conditions, plus a calculator to allow assessment of the impact of various key terms on net-to-LP performance.
- **Research Centre** — access to a wide variety of research reports and regular newsletters containing vital analysis of the latest infrastructure, private equity and real estate industry trends.
- **Private Equity Returns** — benchmarking tools, industry horizon IRRs by fund type, and the PreQIn Quarterly Private Equity Index

And more — we are constantly improving and updating the Preqin Investor Network.
