2013 Preqin Global Alternatives Reports

Private Equity Hedge Funds Real Estate Infrastructure

The 2013 Preqin Global Alternatives Reports are the most comprehensive reviews of the alternatives investment industry ever undertaken, and are a must have for anyone seeking to understand the latest developments in the private equity, real estate, infrastructure and now **hedge fund** asset classes.

Key content includes:

- Interviews and articles from the most important people in the industry today.
- Detailed analysis on every aspect of the industry with a review of 2012, and predictions for the coming year.
- Comprehensive statistics - including fundraising, performance, investors, fund managers, deals, GPs, fund terms, secondaries, placement agents, consultants and law firms.
- Reference guides for different aspects of the industry, answering questions including -
 - Who is investing?
 - How much has been raised?
 - What is the outlook for the industry?
 - Where are the centres of activity?
 - Where is the capital going?
 - What are the biggest deals?

Available in February in hard copy and digital formats
