

Preqin's Analysts speak with hundreds of real estate professionals every month. Our subscriber-only newsletter, Preqin Real Estate Online Update, brings you some of the most interesting and exclusive intelligence we have uncovered in recent weeks. Clicking on the firm name will take you straight to the full profile on Real Estate Online.

Subscribers to Real Estate Online can now use the [Alerts](#) feature to set up and receive fully customized email digests of updates and news on investors, including changes to their future plans, targeted strategies, allocations and attitudes to real estate, on a daily or weekly basis, ensuring you are only notified about information that is relevant to you. Alerts are managed through the [Preqin Alerts Centre](#), which is easily accessible from multiple locations on Real Estate Online. This allows you to create, manage and delete alerts from one central location. You can now track specific investors and be alerted whenever they are updated by one of our analysts, ensuring you are kept up to date on the ever-changing plans of these institutions. Subscribers can also set up alerts following specific news stories, so that you will be updated whenever an investor changes its investment strategy, makes a commitment or issues an RFP, among other options. These alerts will be sent to your inbox, allowing you direct access to the profiles that you want to see as soon as they are updated.

The [Recent Investor News](#) page now includes additional filters which allow you to search through our news archive, pinpointing stories that are most relevant to you. News can be filtered by date, news category, investor type and investor location.

Investors updated in the past month include the Singapore-based [NUS Endowment Fund](#), which intends to commit \$30-50mn to real estate investments this year. It is interested in value added and opportunistic strategies, and will only commit to vehicles targeting Asia. [Houston Police Officers' Pension System](#) plans to commit \$50mn in the next 12 months and will target global opportunistic funds. [Rice University Endowment](#) will invest in 2-3 core US-focused funds in 2012, having made one private real estate fund commitment in 2011.
